

Nay Palad
HIDEAWAY

TRANSFORM YOUR CORPORATE EVENT
INTO AN UNFORGETTABLE RETREAT

NAY PALAD HIDEAWAY

Traveling around the world with family and friends for years, Bobby Dekeyser, former professional soccer player for Bayern Munich and founder of outdoor furniture brand DEDON, imagined a world of Barefoot Luxury, a philosophy of travel that he passionately wanted to share with the world.

The birthplace of Barefoot Luxury, Nay Palad Hideaway (formerly known as Dedon Island Resort), nestles between ancient mangrove forests and the soft white sands of Siargao, in the Philippines. In easy reach of tropical jungle, underground caves, untouched beaches, deep-sea fishing and the legendary Cloud 9 barreling wave, Nay Palad Hideaway lets you create your own rhythm, turning each day into a different story.

In December 2021, the island of Siargao is devastated by typhoon Odette, leaving the resort severely damaged. This is the occasion for Bobby to collaborate (again) with innovative architect Daniel Pouzet to rethink the true essence of barefoot luxury and redesign the Nay Palad Hideaway concept, taking the dream to the next level, creating a truly different experience of hospitality, freedom and beauty that can never truly be described – only be shared.

Tropical jungles, underground caves, coral reefs, secluded beaches,
legendary deep-sea fishing and some of the world's best surfing are just a few of Siargao's charms.
And here, too, nestled between ancient mangrove forests and its own private bay,

NAY PALAD HIDEAWAY AWAITS FOR MAGICAL MOMENTS FOR YOUR COMPANY.

During the day, the grassy lawns and white-sand beach are perfect for a friendly game of soccer, volley-ball, badminton, pétanque or cricket. There is even a brand new padel court.

Surfing. Stand-up paddling. Kayaking. Snorkeling. Sailing. Water-skiing. Wakeboarding. Diving. Deep-sea fishing. The list goes on and the possibilities are endless. We have even created a 37-foot teak-trimmed cruiser that carries the experience of barefoot luxury out to sea. Island-hopping around the bay and beyond can make a great day out with a memorable picnic on some remote island for your Team or Guests.

At night, pick a film, find a cozy spot near or in the pool, and enjoy an outdoor movie. Your film will be projected onto a massive screen strung between two coconut palms.

CULINARY EXPERIENCE

Instead of offering set menus, our resident chef loves to surprise you by combining the freshest fish, meat and local produce in an eclectic mix of East and West, modern and traditional, with the kind of artistry and ease that stay true to the spirit of Nay Palad Hideaway.

We work around the fresh catch of the day to create surprising versions of national recipes, using as much as we can of local resources, and working with organic farms for vegetables and herbs, as supporting Siargao's communities is one of our core values.

Whether you are having a family style lunch with bursting Asian flavours, enjoying a playful picnic on the beach, or fine dining on a romantic evening, we pride that everything that is made in our kitchen is made with love and attention to your personal desires.
